Thank you for deciding to fundraise for Vision Australia

Fundraising for Vision Australia is an exciting, satisfying and rewarding way to make a life-changing difference to Australians from all walks of life who are blind or have low vision.

With your help, more people who are blind or have low vision can receive critical support from services which include:

Vision Australia's Library which provides free information and reading in braille and audio for people with a print disability anywhere in Australia.

Occupational Therapists who teach children who are blind or have low vision everyday living skills like getting dressed and feeding themselves using cutlery.

Vision Australia's Seeing Eye Dogs which can make a life-changing difference to people who are blind or have low vision by helping them to live independently and confidently.

Transform someone's life

Your contribution will make a real impact!

- **\$81 will add a digital book title to our National Library** which will give clients the chance to listen to reading material.
- **\$270 will help pay for white canes** which will provide five clients the freedom to travel confidently by themselves.
- **\$640 will pay for Orientation & Mobility tuition** to teach an adult or child techniques techniques for travelling and moving safely anywhere, anytime
- **\$2,764 will pay for a Stepping Towards School program** which teaches children the everyday skills to fully participate in and benefit at school.
- **\$6,072 will pay for Quality Living Groups** which will enable four people who are blind or have low vision to meet others and discuss similar issues in a friendly and confidential environment.
- **\$8,000 will fund a tertiary student to receive the equipment** they will need to study independently

Did *you*
know?

Seeing Eye Dogs Australia is an assistance dog service provided by Vision Australia

Seeing Eye Dogs are trained to support people who are blind or low vision and provide the gift of independence and freedom in day-to-day life.

It takes a lot of time, love, patience and money to raise these special working dogs that will one day assist to someone who is blind or has low vision to live confidently.

"We realise that to raise awareness about vision impairment, you really need to experience it". Stephanie

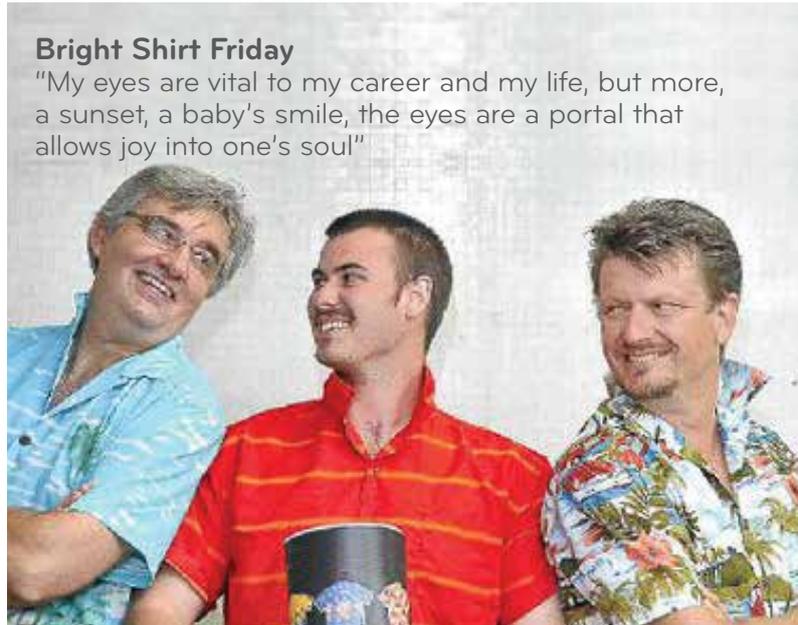

The Color Run

"We had so much fun participating as a team... But, the best part was being able to raise more than \$70,000 for people who are blind or have low vision!" Fiona

Bright Shirt Friday

"My eyes are vital to my career and my life, but more, a sunset, a baby's smile, the eyes are a portal that allows joy into one's soul!"

Need some ideas?

You may have a great idea in mind already – so run with it. Or consider some of these fundraising ideas:

- Donations in lieu of gifts for celebrations or a special occasion
- Personal or team challenges such as walking, cycling or running
- Activities such as a garage sale or dog walking
- Events like dinners, balls, trivia nights or race days
- Hold a movie night or dinner at home or a morning tea at work
- Gather a team and participate in one of your local running/sporting events on behalf of Vision Australia
